GIIWITAA ODODEWISIWIN
(circle of family)

Anishinaabe Pride of the Red Lake Band of Chippewa Indians

Collaborating together; Tribal Programs Equay Wiigamig, Ponemah Out-Patient Program and Tribal Engineering are sponsoring a group that does regalia making and singing on the drum for all ages that want to learn. It's an experience you can share with others while learning how to create, innovate, and empower yourself to dance, sing, sew, do beadwork, make moccasins, visit, and make friends in a positive environment! Bring yourself, your family and your friends.

Supplies for regalia or beadwork is provided but if you wish to bring your own projects to work on you may do so. Sewing machines are available. If you need guidance on where to start we have several people on hand willing to teach you at your own pace. Snacks are also provided for the evening!

All districts are welcome to come join us every Wednesday 5:00pm to 8:00pm

1st Wednesday – Little Rock Round House

2nd Wednesday – Abinoojii Noojimoo Wigamig (Children’s Healing Center)

3rd Wednesday – Oshkii-Maajitaadaa (New Beginnings)
