801.30 Distribution to Minors

Subd. 1. Any distribution to a minor shall be made according to a duly entered order of the Court. Such an order must specify who shall receive the distribution for the benefit of the minor. Mere statements of legal or physical custody in the Court Order are insufficient to determine who is to receive the distribution. The Court Order shall state who shall receive, all or a portion of the distribution, in the Order. Enrollment staff are prohibited from interpreting any order which does not have specific distribution plan, including MFIP payments to a custodian.

Subd. 2. No distribution shall be given to a temporary custodian, as done in an Ex Parte Custody Order or proof of MFIP payments. Such situations shall await final custody determinations entered through final custody orders. Enrollment staff will distribute accordingly after the final order.

Subd. 3. Any voluntary placement must include a statement about distribution, to be effective.
