WHO WE SERVE

Red Lake Community Health Services is a welcoming and inclusive community program where health and wellness is accessible to all tribally enrolled and/or IHS eligible members who are also enrolled in Medicaid & Medicare.

WHY RLCHS?

1. We recognize that each client has individual needs and concerns, so we tailor your individualized Action Plan to YOUR specific situation.
2. Fun and informative group meetings designed with you in mind focusing on Health and Cultural Wellness
3. Referrals to Various Support Groups & Activities
4. We collaborate with area resources to get you the help you need for overall wellness

COMMUNITY HEALTH WORKER & SUPPORT SERVICES

- Intake assessments and service planning
- Information, referrals, and advocacy
- Assistance with applications
- Assistance with resources & help with community needs.

A CHW helps to ensure equitable opportunities to improve health by:

- Finding community-based resources
- Learning barriers and resources needed
- Planning healthy changes
- Setting health care goals
- Providing awareness, education, and skill development
- Hosting listening lunches & cultural wellness groups
- Providing assistance with forms, scheduling & transportation
- Accessing health & social programs to help meet basic needs
- Helping to manage health concerns
- Supporting Your journey
